Dear Mr. Tony Soprano

On behalf of Camillian Home children we would like to thank for your **“Charity Lady boy Water Volley Ball Competition”** which could raise **250,000 Baht** (Two Hundred fifty Thousand Baht) for supporting us to help to develop the life of Children living with disabilities to get a better quality of life.

Your generosity has been instrumental in ensuring the care and treatment of our children and to those still to show up on our doorsteps; Children who are from extremely poor circumstances; abandoned, orphaned living with disabilities and also HIV/AIDS. It is only thanks to the solidarity of friends such as your wonderful team that our children can look forward to a happy future.

Sincerely yours,

Kannika Tumma
